►FREQUENTLY ASKED QUESTIONS◄

Do I have to have a tracking number to compete?

No, you do not need a tracking number in order to compete in Agility or Stock.

You will need a tracking number to enter an Obedience trial or Tracking Test.

Your dog does not have to be a purebred to receive a tracking number from ASCA.

Why would I need or want a tracking number for my dog?

If you would like to have your dog's points and titles recorded by ASCA®, and if you'd like to receive title certificates in the mail for your accomplishments, you might want to obtain a tracking number.

How much is the total cost for a tracking number?

In order to obtain a tracking number for your dog, you must be at least a "Service" member. The cost for Service Membership is **\$10**.

Your membership is good for one year; however, it does not need to be maintained in subsequent years, unless you want to obtain another tracking number for another dog after your membership has expired.

This membership fee is **in addition** to the tracking fee of **\$10** per dog. A tracking number is good for the lifetime of the dog. If you only have one dog, the total cost would be **\$20**. For two dogs, the cost would be **\$30**, for three, the cost would be **\$40**, etc.
